Legal representative:

declares its agreement to

- (a) operating as a partner with VO-Raad Netherlands to carry out the project identified above;
- (b) undertaking the roles stipulated in sections B and E of the application form.

I confirm that I and others involved in the partner organisation have read and approved the contents of the proposal, the budget and the breakdown of work among partners, as submitted in the application form addressed to the Education, Audiovisual and Culture Executive Agency. We are prepared to contribute to the project budget with own resources as specified in the budget. We provide herewith, the CV's of key staff to be involved in the project/network and we undertake to comply with principles of good partnership practice.
